

Lionwood Infant School & Nursery Sport premium spending 2017/2018

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport.

Lionwood Infant School & Nursery recognises that the development of a healthy lifestyle in children is hugely important as PE and sport raises self-esteem and confidence thus having a wider impact on their achievement and progress. As such we see physical education as a co contributor to our children's wellbeing and we have developed it alongside the existing work we partake in that focuses on diet and emotional welfare.

SECTION 2 – Planning your Provision and Budget for the Coming Year

Academic Year: **2017/2018 Total fund allocated:**
£17470+ £2728 carry from 2016/17 = £20198

PE and Sport Premium Key Outcome Indicator 1/2/3/4/5.	Actions to Achieve	Approx Funding	School Focus/ planned Impact on pupils Evidence	Actual Impact (following Review) on pupils	Sustainability/ Next Steps
2/3. Improve how PE is taught through the whole school.	Real P.E training for 1 member of staff.	£450 pp. Cost of supply = £200	One PE lesson a week is to be taught using Real PE strategies. Increase challenge/motivation and mind sets regarding PE and foster long-term love of physical activity for the children. Staff feel confident at teaching Real PE.	P.E. is consistent across the Year groups. Children enjoy the structure and creativity of Real P.E. They understand how to challenge themselves in these lessons independently. A staff member has been booked onto this for November 2018.	Continue to send new staff on this course so that everyone is teaching to the same high quality.
2/3. Improve how P.E. is taught through the whole school.	Upskill two teaching assistant by sending them on the NPETCS training.	£1100 pp. Total: £2200	Teaching Assistants will be able to deliver high quality P.E. lessons to cover teacher's PPA time. They will feel confident at doing so and the children's mind-set regarding physical activity will be positively impacted.	Two TAs have started the NPETCS course (September 18) and will be delivering P.E. lessons across EYFS and KS1. These lessons will be high quality and they will have the knowledge of how to further the children's skills.	NPETCS staff will share their up to date knowledge with other staff so that consistency is evident across the school. There will be a clear vision of how to promote a healthy lifestyle and there will be a love of physical activity by the children.
4/5. Maintain links with other schools and be involved in local events.	Participation in cluster events. Cluster contribution.	£500 for Cluster Contribution. £1000 for Coach hire. Total: £1500.	Coach hire and mini-bus transport to: UEA KS1 Summer Athletics tournament. This makes the events accessible to all pupils.	Those who participate will feel confident and proud to have represented their school. Embeds a love of physical activity for the children.	P.E. lead will continue to represent the school at Cluster meetings. They will promote the need for more KS1 events.
1/4. Children have exposure to a broader range of activities and are engaged in regular sporting activities.	Children in Year 2, 1 and Reception to participate in weekly Capoeira lessons. (One half term each).	£4410	Children can build on the Real P.E. skills they have been taught and become more confident movers. As pupils become exposed to different activities, they can start to see physical activity differently. (Especially those children with a fixed mind set about P.E.).	Children have been able to use the skills that they have learned in their Real P.E. lessons in their Capoeira sessions and vice versa. Many of them have made progress with their gross motor skills and co-ordination.	Continue to expose the children to new sports and use the skills learnt in Capoeira lessons during other

4. Renew Existing Equipment.	To maintain high quality equipment at all time.	£1000	Equipment that needs to be monitored and reviewed: bean bags, footballs, playground equipment kit, hoops, tennis balls etc.	P.E. equipment is now used properly especially on the playground. Children want to use it because it is new and exciting. Tennis equipment was ordered in order for a club to start.	P.E. equipment will be monitored regularly and new equipment ordered accordingly.
1 Ensure inclusivity for all children.	To purchase additional spare PE kits/swimming kits and provision for extra-curricular activities.	£500	To purchase resources to ensure all children are able to access the PE curriculum and after school activities by providing necessary equipment.	Tennis club started in the Summer term which is new for our school. This is exposing children to a new sporting activity. We paid for an athlete to come into school and to do activities with all of our children and to inspire them.	Tennis club will carry on next year by the same teacher. We are paying for external instructors next academic year to continue to expose children to new activities and to encourage them to have a healthy lifestyle.
4 Maintain links with other local schools for events.	Climbing Wall event.	£1000	To offer children a new experience in climbing.	This event did not take place in the end and so the money will be used for an alternative event.	New opportunities such as this will be looked into through the Cluster meetings.
