

Home Learning – Please post any work that you do on ClassDojo

This week's home learning looks a little different as we have included activities from our 'Farm in a Box'

Monday	Tuesday	Wednesday	Thursday	Friday
'Grow Seed Grow'	'Tasty Bread'	'All Sorts of Seeds'	'Seeds to Food'	'Sense of Touch'
<p>Create seed bombs – mix wild flower seeds with flour and damp compost. Throw these into areas of your garden.</p> <p>Grow seeds on damp tissue/cotton wool, keep them damp and warm.</p> <p>Plant beans in jars.</p>  <p>Talk about what plants need to grow.</p>	<p>Try a variety of different loaves of bread. NB Allergies</p> <ul style="list-style-type: none"> • Does it look good to eat? • Does it look different to the bread you usually eat? • What does the bread smell like/feel like? • How does it taste? • What score would you give the bread out of 5? Why? <p>Design a healthy sandwich.</p>	<p>If you can visit a supermarket/order online, look at the different seeds we eat.</p> <p>Look at empty food packets which contain seed ingredients e.g. Weetabix.</p> <p>Create art work using the seeds you may have in your cupboards at home.</p> <p>Remember to wash your hands after handling seeds.</p>	<p>Make a simple dough mixture by mixing flour and water. You can add salt to make salt dough and any creations can be cooked in the oven on a low heat e.g. 50-100°C for 2-3 hours or air-dry for 2 days.</p> <div data-bbox="1346 916 1704 1441" style="border: 1px solid black; padding: 5px;"> <p style="text-align: center;">Salt Dough Recipe</p> <ul style="list-style-type: none"> • 4 cups of flour • 1 cup of salt • 1 ½ cups of water • Food colouring (optional) <p>Mix dry ingredients and then pour the water. Use more water if the dough doesn't come together.</p> </div>	<p>Hide some mystery objects in a feely bag or box.</p> <ul style="list-style-type: none"> • Can your child describe the mystery object? • What do they think it is? • Were there guesses right? • Did they describe it well?
