# Lionwood Infant and Nursery School Newsletter

Thursday 11th February 2021

To all our families,

Firstly, thank you so much for your understanding and cooperation this week when each day has been an unknown as to what the weather will do and how it will affect school provision. I know this must have been difficult for the critical worker families and we appreciate your understanding. It's great to have some of you back today.

I hope you have all enjoyed the snow and had fun in it together – I have really had fun looking at your pictures and films on ClassDojo. We had snow dogs, snow mermaids, even snow dinosaurs! We saw children making snow angels (including myself!) as well as lovely images of children, parents, staff (and dogs!) venturing out in the snow.

Next week is half term and it's important we all have a good break and take some time to recharge the batteries. You have all done such a great job with keeping us informed of your child's home learning, engaging with zoom calls and catch up sessions as well as using the time to support your child with the parts of learning they find tricky. Please enjoy the break away from home learning, we will make sure we do the same and then we shall all feel relaxed and ready to start again with energy and enthusiasm when we return to learning on the Monday 22<sup>nd</sup> February. Please remember that school will remain closed for most pupils after half term except for the children of critical workers and vulnerable children. We will keep you informed as soon as we receive any information about schools reopening to more pupils.

Take care everyone, especially with the cold weather over the next couple of days!

Hannah Kingsley and all the Lionwood Team
