# Lionwood Infant and Nursery School Newsletter

Friday 30th April 2021

To all our families,

Although it has been great to have the sun shining all week, by far the highlight of the week for me has been seeing the children enjoying being back in the classroom and when they have come to show me their amazing work. It's the little things that make a big difference and these returns to normality have really brightened my week. The school value I focused on this week was to 'Dare to be yourself.' The children have been celebrating their achievements and taking risks with their learning because they feel more confident in their abilities. I am so proud of them all. I know that some of you will have been anxious about the disruption to their learning over the last year. I want to reassure you all that learning is what we do best here. We have a great team who have a clear plan of support for all the children but who also fully understand the importance of rebuilding human connections and that our mental health must be well before learning can happen. Let's continue to work together to encourage them to read, be brave, believe in themselves and to talk and play with each other.

Stay safe everyone and please continue to follow the guidelines,

Hannah Kingsley and the Lionwood Team

**Nursery - Rebeka and Penny**

**Pear Class - Ivy**

**Damson Class - Archie**

**Apple Class - Noel**

**Holly Class - Jacob**

**Maple Class - Isaac**

**Elm Class - Ronnie**

**Willow Class - Harvey**

**Rowan Class - Finn**

## CONGRATULATIONS!

A very big WELL DONE to these children for their hard work and commitment to their learning. We want to take this opportunity to say how proud we are of them.

## REQUEST FOR WELLIES (Nursery)

If you have any spares wellies to fit Nursery age children these will be gratefully received.

Thank you!

## CHILDCARE PROVIDERS

As part of our ongoing risk assessment, please be advised that parents who use childcare providers or out of school activities for their children, please ensure you seek assurance that the providers are carefully considering their own protective measures, and you should only use those providers that can demonstrate this. The government [guidance for parents and carers](#) has been supplied (or a link to it) to support your decision making.

## CLASS PHOTOS

Tempest Photography will be in school next Friday 7th May for class group photos.

**If you do NOT wish your child to have their photo taken, please inform the school in writing no later than Wednesday 5th May.**

## FACE COVERINGS

We remind you that face coverings **MUST** be worn at all times on the school premises. If you are exempt from wearing a face covering, please make us aware of this by emailing the school

## ABSENCES

If your child is going to be absent from school, please leave a message on the Pupil Absence line (01603 433957 - Option 1) no later than 8.30am. Please give your child's name, class and reason for absence.

For any planned absences other than for medical reasons, a Leave of Absence form must be completed and returned to the school. A form can be requested from the school office. Please note holidays and other planned absences will not be authorised, only in exceptional circumstances.

## PICK UP AND DROP OFF

Just a reminder that all children should arrive and be collected on time at their designated pick up and drop off points, not via the Main Office. Registration is at **9.00am** and it is expected that all children should be in class by this time. Lateness means missing valuable learning time and causes a disruption to the morning for lessons, children and staff.

We would also remind you that children should be collected from their pick up point no later than **3.00pm**

Thank you for your cooperation.
