Lionwood Infant and Nursery School Newsletter

Friday 28th January 2022

To all our families,

I have had a great time wandering around our school this week. Year 1 and Year 2 have been writing non-chronological reports (fact files) - Year 1 about the moon and astronauts and Year 2 about wolves. In Nursery I was tempted in by the smell of freshly baked rolls but these were for the children to take home and enjoy! Reception have been trying hard to get the gems in their class jars by showing they can follow all the golden reminders and I was able to tell them how proud I was yesterday for keeping their corridor so tidy after Mr Butler kindly rearranged the pegs for them!

I have been so heartened this week to receive some lovely messages from parents about things that are working well at Lionwood. I'd love to get a parents group back up and running soon so we can discuss and share ideas about what is working well at school and how we can make it even better. For now, I'm going to post a 'Question of the Week' for parents, with a link for any parent to write their thoughts and responses. It's a chance for you to share your ideas and I am looking forward to reading them all. To kick us off, I'm asking two big questions: 'What do you love about Lionwood?' and 'What about Lionwood do you want to know more about?' Click on the link to submit your responses. <https://forms.office.com/r/BW+C9sFVEFH>

Have a great weekend,

FACE MASKS IN SCHOOL

As Covid-19 cases are still high in the local area, face masks must be worn by adults in communal areas within the school. **This includes the entrance area outside the main office.** If you are entering the building, please help keep everyone safe by wearing a face mask.

We thank you for your continued support.

CHANGE TO LUNCH MENU (Tuesday Week 3)

The main menu on a Tuesday (Week 3) has been changed to Chicken Korma with Steamed Rice. This is due not many pupils across both school opting for the previous choice available.

NORFOLK CONSTABULARY INTERNET SAFETY WEBINARS FOR PARENTS AND CARERS

Dear Parents / Carers,

Keeping children safe online is a huge priority for us within the Norfolk Constabulary's Youth Engagement and Safer Schools Teams. The internet is an amazing tool, however, many of the issues the Police deal with when it comes to young people involve online behaviour. The recent Ofcom "Children and parents: media use and attitudes report" (2021) found that 97% of children aged 5 - 15 watch content on video sharing platforms. Only 30% of parents use controls to restrict their children's access to inappropriate content and just over half of 12-15s have had some form of negative online experience.

One of our Safer Schools Support Workers, along with a Safer Schools Police Officer, will be running some webinars on the dates below in which we will provide advice and guidance for parents and carers about how to keep their children safe online. We will talk about the apps and websites young people are likely to be accessing and the risks they face when using these. We will highlight some of the things that parents and carers should be aware of that might indicate that their children are experiencing difficulties online and we will give advice on what to do about this and how to have conversations about internet safety. We expect the webinar will last around an hour and there will be the opportunity to ask any questions you may have about the subject.

Dates Available.

Monday 7th February at 12:00pm

Wednesday 9th February at 12:00pm

The webinar will be held on Microsoft Teams. Please email the Youth Engagement Team mailbox YouthEngagementEvents@norfolk.police.uk, stating the date you wish to attend and we will send you the link to the meeting. (Please note, you should just be able to click on the link in order to access the meeting. You do not need to download the Microsoft Teams app!)

We look forward to seeing you there.
