Maple - 93%

Elm - 95%

Willow - 99%

Whole School

= 93%

Target = 95%

To all our families,

It was so great to welcome all of the children back in to school this week. Everyone has settled back in to the school routines well and we have already seen some excellent learning taking place across the school.

Clubs started again this week and will continue throughout this half term. If your child has a place in a club, they are expected to attend. If you no longer want the space please let the office know so we can offer the place to someone else.

Have a wonderful weekend,
Ms Thorpe
and the Lionwood team

Nursery - Daisy

Pear Class -

Apple Class -

Holly Class - Olive

Maple Class - Netra

Elm Class - Rover

Willow Class - Bryan

CONGRATULATIONS!

A very big WELL DONE to these children for their hard work and commitment to their learning. We want to take this opportunity to say how proud we are of them.

CURRICULUM UPDATES

Nursery

This week in Nursery we have started our new theme called 'Roar! Let out the dinosaurs!' We have been playing with the toy dinosaurs daily and sharing what we already know about them during our circle times. In Literacy, the children have been learning the words for our new Talk for Writing text which is called 'Stuck in the Mud'. They are very good at remembering the actions and have used the puppets/ small world characters when re-telling the story to others during independent learning time. We were very excited to start our RWI lessons in phonics and this has involved introducing the children to the picture cards linked to the sounds for letters of the alphabet. In Maths we have been comparing the size of objects using the vocabulary big, bigger, small, smaller and the children were challenged to find the correct sized box for the different animals from 'Dear Zoo'. They have also had the opportunity to make models of their homes using recyclable materials. We have welcomed new children to Cherry Class and all enjoyed getting to know Mrs Moon. She is a great addition to our team.

Reception

We have had a super first week back in Reception. We have been inventing our own stories using puppets and story maps. The children have used ideas from familiar stories, as well as using their amazing imaginations to create their own ideas. We have been thinking about how we tell stories and how this would make an audience feel. In Maths, we have been exploring addition within 10. We have been using counters and tens frames to help us solve them. Some of the children are beginning to use a number line to support them too. We have been exploring the courtyard and have been using natural materials to support our counting. This term we will be learning all about dinosaurs and fossils. This week we have been revisiting some of the dinosaur names that the children looked at last year in Nursery.

Year 1

The children have had a great first week back after the Easter break! In English, we have started working on our new text 'The Storm Whale' and the children have started to retell the story using our story map. In R.E., the children have been learning about Judaism and thinking about what it means to belong to a group or a community. They have also been looking at symbols of Judaism and sharing information with their friends about the different symbols we discussed. In maths, the children have been working on their number knowledge. They have been practising number formation and ordering and comparing numbers.

Year 2

It's been a busy first week back in Year 2. We read the poem 'A Few Frightening Things' and created our own list poems inspired by it. In Maths, we've used number bonds to create fact families using addition and subtraction, the children have impressed us with their mental calculation. And we started our computer programming unit, using algorithms to program a robot. Next Week, we are visiting Lion Wood, please make sure children are suitably dressed on this day (25.04.24).

Summer Term Dates 2024

April

15th – Summer Term starts

19th – Class photos

30th - Parent Forum (2pm)

May

1st – Reading Wednesday (until 9am)
